

CAMPION MARINE

ASSET ACQUISITION OPPORTUNITY

Unique opportunity to acquire assets and IP of Campion Marine

HIGHLIGHTS

Well-recognized independent brand in Canada and the USA with a 40+ year history of manufacturing high quality fiberglass boats with Mercury, Yamaha, Volvo and Suzuki power, across an expansive dealer network.

Significant value creation opportunities:

- Monetize demand for popular products
- Flexible manufacturing model
- Dealer and/or direct sales channel opportunities
- Leverage success of the recently launched tournament fishing boats
- Mold capacity expansion through capital investment

Assets have been packaged for sale and include:

- Full tooling for 10 boats
- IP rights for existing and in-development products
- Detailed bill of materials for all models
- Visual build books and bespoke inventory parts for 2 builds of each production model

A Confidential Information Memorandum will be made available to interested parties, with the return of a signed NDA.
